

DAYS LIKE THESE TRI-FOLD PHOTO FRAME

Some of you may chose to make other projects with your "**DAYS LIKE THESE**" kit instead of the mini album. Here is a project you can make with this month's kit featuring the Crate Paper *Portrait* collection.

TIP: Edges of all paper and embellishments inked with Tim Holtz Distress ink in Black Soot. Clear rhinestones and black 1/2" grosgrain ribbon not included in kit.

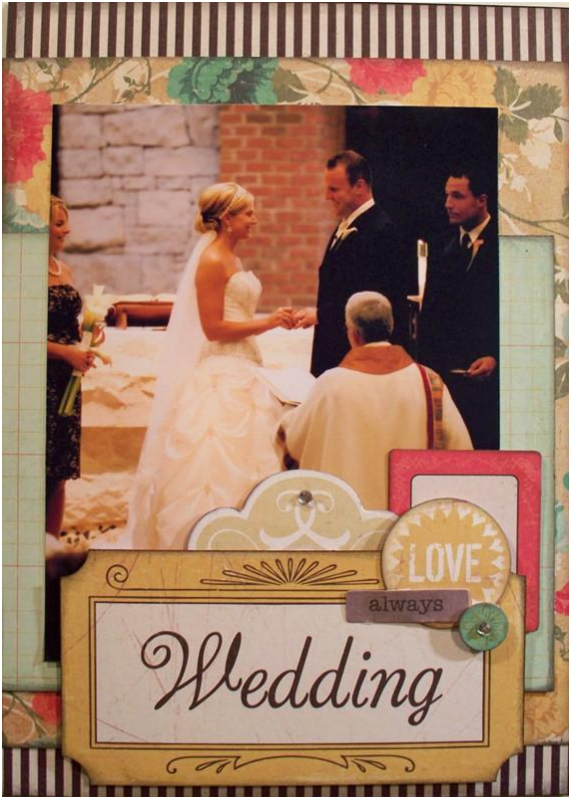

PREPPING THE PANELS:

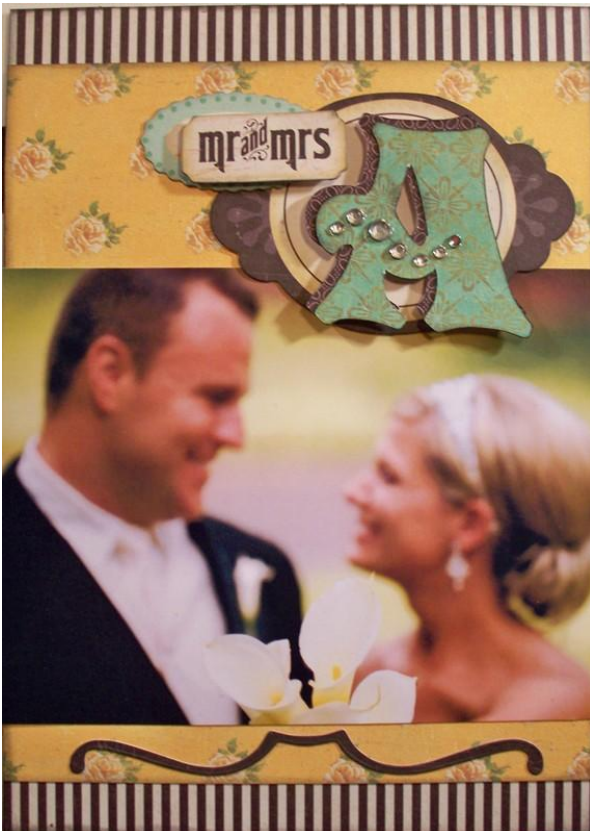

- Cut black and white striped pattern paper into six 1"x5" strips. Glue to top and bottom of each black panels.
- Cut four 2" pieces of black 1/2" wide grosgrain ribbon (not included in kit). Glue to panels directly under striped paper as shown in photo.

LEFT PANEL:

- Cut floral pattern paper to measure 6"x5". Glue to center of panel.
- Cut green grid paper from Accent Cuts sheet to measure 4¾"x4". Glue flush to left side of panel.
- Add photo and embellish as shown.

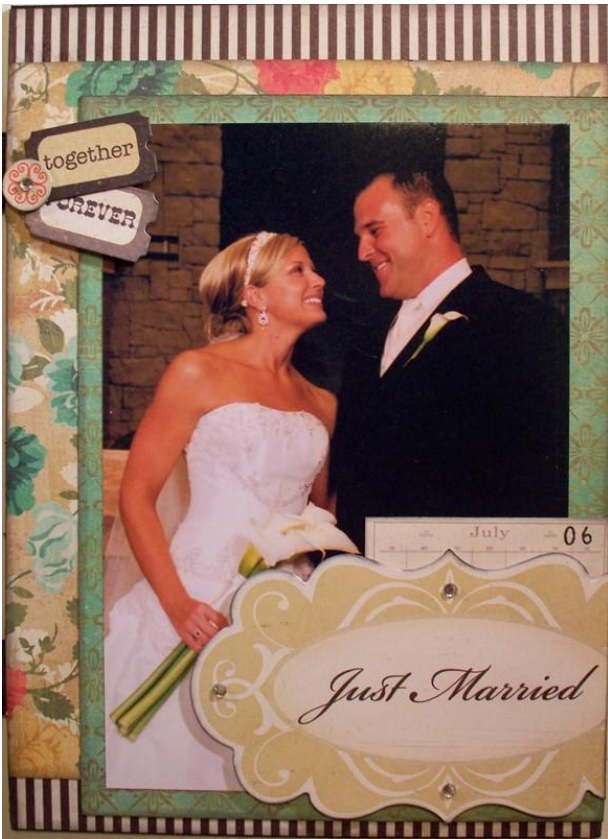

CENTER PANEL:

- Cut small yellow pattern paper to measure 6"x5". Glue to center of panel.
- Add photo and embellish as shown.

Tip: Monogram is cut from Cricut.

RIGHT PANEL:

- Cut floral pattern paper to measure 6"x5". Glue to center of panel.
- Cut green pattern paper to measure 4.5"x6. Glue flush to right side of panel.
- Add photo and embellish as shown.

BACK OF CENTER

- I thought it would be fun to embellish the back of the center panel. It is a nice place to personalize the project. Perhaps add a little sentiment and your signature with a white gel pen, if desired.
