

SWEET MERRY HOLIDAY TAG SET

We love being able to use the little extras left over from some of our favorite kits. With the holiday season upon us, we thought what a better way to use the extra bits and pieces from the Sweet Merry Holiday kit than to make some fun holiday gift tags.

With just a few items from your own stash, a little bit of cardstock and some punches you will have 6 adorable gift tags to adorn your presents this year. And you'll be able to say "I made those!". Happy Holidays! Enjoy!
